

Message from the Wednesday Night Chair

Welcome to the Victoria Men's Golf Club for another year of golf and good times!

The biggest change this year is that we will be signing up for Wednesday Golf **on-line only**. This should be a fairly easy transition as we started this format last year, so most of the returning members have already signed-up this way. If you do have any problems accessing the sign-up sheet let me know and we will get it sorted out.

The on-line sign-up sheet will be available **1 week** prior to play.

The cut-off for signing up to play on Wednesday will be Sunday @ Noon.

The draw will be sent out no later than Monday.

You are also going to find more information available on our Google Sheets Page using the same link as you would to sign up.

Check out the tabs at the bottom of the page and you will also see the following:

- Tee Times, Prize results, Deuce Pot status, Attendance, Interclub results

The best way to access the sign-up sheet will be from **The Victoria Men's Club** website.

The link to sign up will also be embedded within the **VMGC Logo** attached to all of my e-mails.

The following will provide instruction on how to proceed with signing up:

Desk-top or Lap-top computer

From our website (vmcgolf.ca)

- Click on the link that says "Victoria Men's Club Sign Up Sheet"
- A new page will pop up - Click on our Logo
- The sign-up sheet will pop up
- Enter your name and preferred tee time
- Close the document or press the back arrow to go back into our website (the sheet will save automatically)

Smart Phone or Tablet

- Install the "Google Sheets" App.
- Open the App
- Click on the search button
- Exit the app
- Click on the links described above (Website "Logo" or Logo on e-mail)
- Tap "Open with Sheets"
- It will then allow you to use the sign-up sheet.
- Enter your name and preferred tee time
- Close the document (the sheet will save automatically)
- After you have opened this for the first time you will then be able to enter the sign-up sheet by clicking on the links described above without any additional steps.

When signing up to play in a singles or doubles match:

- Enter your name and your opponents name consecutively with “SM” or “DM” after the names
- Change the font color or change the cell color on your names to clearly identify who is playing in the match
- Match play will be given priority when the Tee-times are assigned.

If you want to play with a specific person or group:

- Enter all names and change the font or cell color to match

That should cover everything on how to sign up.

I will do my best to get you out at your preferred tee-time but it won't always happen. Be prepared to tee-off a few times earlier or later than what you might prefer.

After the draw has been sent out, if your plans change and you need to cancel your tee-time or if you did not sign up and need a tee-time, **CALL THE PRO-SHOP.**

**Your target should be 4 hours and 15 minutes to complete your round.
So, let's keep those pre-shot routines to a minimum and play ready golf!**

Play well! Have Fun!

Mike Pickard
