

2019 Tombstone Tournament

Tournament Date is **Saturday, July 6th, 7:30 A.M**

Deadline for entries is **Wednesday, July 3th**

Entry fee: **Green fees + \$10 Tournament Fee**

THE GAME • Be The Last To Expire

Use your handicap (not your handicap factor). Add 67 to that number (Our course rating is 67.6). I've changed course rating stroke number from 68 to 67 due to ongoing construction. When you have used up all of those strokes, YOU'RE DEAD! Each player is given a cross to mark their grave at the beginning of the round. Where your last shot comes to rest, that is where you are buried. Place your cross in the ground at that point. (If your last shot ends on a green, place your cross just off the fringe). **Your handicap will be locked in Thursday July 4th at 12 Noon (no changes after that point).**

Example: Jack's handicap is 22. Adding that to 68 gives Jack 90 strokes of life. Where his 90th stroke ends up is where Eddie has died and is buried. • All players that haven't died by the end of the 18th hole will continue out the first tee after everyone has finished. The player who gets the furthest with their remaining strokes is the Tombstone Champion.

All putts must be holed out. No gimmies. Each stroke is important. It is another nail in your coffin! After you have "died," you can still complete your round.

We will be giving out \$15 food vouchers for this tournament.

Please stay after your round as we will be presenting hole prizes and the Tombstone Trophy to the winner. We may even have some door prize draws.
