Victoria Golf Course Men's Club 2021
GROVES **DOUBLES** MATCH PLAY TOURNAMENT

Tournament Dates are **May 26th thru September 1st**
Deadline for entries is **Sunday, May 16th**
This is a **Two Man Team Match Play** tournament

- Full handicaps are in use in this tournament.
- Each round of the tournament must be played by the deadlines as follows:
 - Round 1 – June 16
 - Round 2 – July 7
 - Round 3 – July 28
 - Semi Final Round 4 – August 18
 - Final and Consolation Rounds – September 1
- Scheduling of matches is arranged by the participants. **By entering you agree to share contact information with other participants.**
- Matches are mostly played during Men's Night but can be played on any day of the allotted time for that round. If you and your opponents wish to arrange a match for the next Wed night, indicate so on the sign-up sheet.
- Deadlines will be strictly adhered to. If your team is unable to be contacted for scheduling of a match prior to the deadline, your team will be disqualified. If neither team makes an effort to schedule their match, then it will go to a coin toss.
- For other instances, unplayed matches from each round will be considered to be scheduled on the deadline date for that round. Failure to show for a tie as time against your opponents will result in disqualification – no exceptions.
- There will be no "D" side but there is a consolation round for teams that lose in the semi-final round.

THE GAME

- In match play the game is decided by holes. Except as otherwise provided in the Rules of Golf, a hole is won by the side that holes its ball in fewer strokes. In four-ball match play, two play their better ball against the better ball of two other players. In a handicap match the lower net score wins the hole. A match (which consists of a stipulated round, unless otherwise decreed by the Committee) is won by the side which is leading by a number of holes greater than the number of holes remaining to be played.
- Best net score is recorded on each hole plus 1. The team that loses the hole scores minus 1. If the hole is tied, neither individual receives a point.
- If the match is tied after the 18th hole, the match is to be decided by sudden-death playoff beginning at the first hole.
- **Handicaps:** Handicaps ensure handicaps of four players by the Course Handicap of the player with the lowest handicap, who shall then play from scratch. Allow each of the three other players 100 percent of the difference.
- **Example – Player A** has a handicap of 10, Player B – 12, player C – 14, and player D – 16. Player A has the lowest handicap, subtract his score from all players' handicaps. The result:
 Player A plays from scratch
 Player B receives strokes on the first two handicap-stroke holes
 Player C receives strokes on the first four handicap-stroke holes
 Player D receives strokes on the first six handicap-stroke holes
- If a match cannot be completed because of inclement weather (either individual can suspend the match due to inclement weather), it must be re-played from the point at which it was suspended.
- If your partner does not show or forgets to make a time prior to the end of the block time – you play on your own with your handicap only.

PRIZES

- 1st and 2nd place on the "A" side
